

Dear Scoutmaster/Crew Advisor/Explorer Advisor/Skipper:

The Narragansett Council extends an invitation for you to send outstanding youth scout leaders from your unit to attend National Youth Leadership Training (NYLT). NYLT is designed to provide your scout with a virtual “toolbox” of leadership skills and knowledge to confidently return to your home unit and effectively run a youth-led program. Following a national syllabus, participants will be organized into teams (Patrols) and be involved in team-building exercises demonstrated and modeled by the youth staff in both games and presentations. By working within teams (Patrols), and interacting with participants from other units, they will be able to immediately begin to practice the new skills they learn during the course. Upon completion of the course, they will return to your unit with goals that they have developed to improve your program.
